

**KERRY**

Leading to Better

Better, with you.

As the global leader in Taste & Nutrition, we take pride in our illustrious food heritage and extensive insights, innovation and technology. Today, we partner and supply some of the world's largest and best-known food, beverage and pharmaceutical companies.

At the core of our business success is our People. We have over 24,000 employees in over 30 countries, and more than 4,000 of them reside in APMEA (Asia-Pacific, the Middle East and Africa).

Kerry Graduate Programme

We are looking for energetic and ambitious graduates who want to be a part of Kerry's global, fast-paced, dynamic work environment.

The programme is designed to give you the outstanding experience and training you'll need to become a future leader of our organisation

Our tagline - *Leading to Better*, encapsulates everything that we offer: a world leader in taste and nutrition, making products that people enjoy and feel better consuming and how we strive to support those who work for us achieve their full career potential whilst being part of this fast-paced, progressive and diverse environment.

Come grow your career with Kerry.

Kerry's intensive two-year graduate programme offers:

- A well-rounded learning experience
- Coaching and Mentorship
- Accelerated path to leadership positions
- Assignments across APMEA
- Early Career Leadership Training Programme
- Sponsorship of professional certification (eg. ACCA, CIMA, CPA etc.)

About

KERRY

We're the largest and most technologically advanced ingredients and flavours company in the world, delivering innovations in taste, texture, nutrition, appearance and functionality.

We supply over 15,000 ingredients and flavours to many of the world's biggest names in the food, beverage and pharmaceutical markets. This means that every day millions of people worldwide consume food or beverages containing Kerry's Ingredients and Flavours.

Our presence in Asia Pacific spans Malaysia, Singapore, Thailand, India, China, Philippines, Indonesia, Australia, New Zealand.

Our Asia business is poised for growth, and we have excellent opportunities available for energetic and motivated graduates who are ready to take on real responsibility in the real world.

How to apply
